

# INDO 510

## INDO 510 DATA SERVICES

**USE:** Dilute with water to produce an effective "brushless" road film remover for use with pressure wash equipment.

**COLD WATER CLEANING:** Dilute 25 to 1 (4%) with water at nozzle

**HOT WATER CLEANING:** Dilute 50 or 100 to 1 (1-2%) with water at nozzle

**PROCEDURE:** Apply in pressure mode if possible. Allow to remain on vehicle surface for 3-5 minutes to provide adequate penetration of "road film". Do not allow the detergent to dry on the surface prior to rinsing or streaking will occur. Always apply detergent working from the bottom of the vehicle to the top. Rinse with clear fresh water in the pressure mode (minimum 500 psi) working from the top of the vehicle to the bottom.

**FORM:** Liquid

**COLOUR:** Colourless

**ODOUR:** Mild (Odour may increase if used with hot water in closed area)

**% NON-VOLATILE:** 13.5

**pH AS SUPPLIED:** 12.8

**pH USE:** 10-11.5

**SPECIFIC GRAVITY:** 1.05

**SOLVENTS:** None

**PHOSPHATES:** None

**PATENTS:** Canada #1134565 U.S.A. #4264479

**WATER SOLUBILITY:** Infinite

**CAUTION:** Prolonged or repeated contact of concentrated product with skin and/or eyes will cause irritation, reddening and possible corneal damage. Ingestion may cause burns of mucous membranes, nausea, vomiting and possible internal damage. Follow all label directions completely and carefully and read Material Safety Data Sheet (MSDS) before use. Keep out of reach of children. Keep from freezing.
